### Catarrh of the Stomach

A Pleasant, Simple, But Safe and Effectual Cure for It.

COSTS NOTHING TO TRY. Costs nothing to try,
Catarrh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloating sensation after cather, accompanied sometimes with sour or watery risings, a formation of gases causing pressure on the heart and lungs and difficult breathing, headaches, fickle appetite, nervousness and a general played out, linguid feeling.

There is often a foul taste in the mouth, coated tongue and if the interior of the stomach could be seen it would show a slimy, inflamed condition.
